Because of your demonstrated interest in and involvement with the Academy, your presence at the Ceremony would be especially meaningful.

The Academy continues to flourish and play a vital role in our school district. We want to honor those students who, for three years, have been a part of this growth and development and are now ready to enter the workforce or further their education. We also want to recognize those students from all classes who have shown special talent during the past year. We will take time to review the accomplishments of this past year as we look forward to next year.

We hope to see you there.

Sincerely,
