

Job Shadow Site Questions

The following questions can be asked upon arriving at the business for job shadowing:

- What is the full name of the company?
- Who are the owners of the company?
- What product(s) does your company make?
- May I see a sample of your product?
- How is the company organized?
- May I see an organizational chart of the business?
- How is the company arranged?
- Do you have a map?
- Who are your main customers?
- What are the working hours?
