Embedded WBL				

Directions: Identify all courses a pathway student would normally be expected to take. Highlight courses taught by members of the pathway team, and cohorted.

- Do the CTE courses meet current standards, including contextualization of key academic content in a coherent sequence?
- Are there a-g requirements students have difficulty completing?
- Are there classes that could be a-g that are not?
- Can pathway students take ELL, Special Education, or credit recovery classes?
- Can pathway students access advanced coursework?
