

CCASN Webinars: Curriculum Database and Online Master Schedule Guide

Curriculum Database for Career Academies and Linked Learning Pathways Webinar

Tuesday, September 30
3:30 - 4:30 p.m. PDT

Looking for resources for integrating your College & Career pathway or Academy curriculum? Tune in to this CCASN webinar for an introduction to the *free* searchable curriculum database, with over 700 lessons, units, projects and courses compiled specifically for College and Career Academy teachers.

Organized by industry field, subject, and type, the curriculum database helps College and Career Academy and Pathway teams find resources for integrated project-based curriculum planning.

We will also introduce you to valuable how-to resources, tools and templates for planning, implementing and assessing project-based learning, in alignment with new standards.

Introduction to the CCASN Online Master Schedule Guide Webinar

Thursday, October 16
3:30 p.m. - 4:30 p.m. PDT

Join us for a tour of CCASN's new online Master Schedule Guide. Learn how to best use the Guide to support your master schedule process. Get tips from master schedule experts.

Discover:

- A sequenced path through the high school master schedule process
- Examples of best and emerging scheduling practices
- Downloadable tools, protocols, forms, and resources to support work at every stage – Planning and Preliminary Steps, Pathway & Course Selection and Tallies, Building the Master Schedule, Analysis and Adjustment, Fine-Tuning and Assessment
- Resources for developing a District system of support for effective master schedule practice
- A compendium of bell schedules, ways to find time for teacher collaboration, scheduling with an equity lens, and much more

How to register for our free webinars
