

Community of Practice Interest & Teacher Assignment Preference Form¹

Teacher's Name: _____ Date: _____

Please provide input on your teaching assignment for next year. The factors below will be considered when determining teacher assignments.

1. Are you currently working with one or more communities of practice (i.e. a pathway, department, program such as IB or AVID), and if so which?

2. List all college degrees and their subjects, including majors & minors (Associate's, Bachelor's, Master's and/or Doctoral):

3. List all education credentials (subject-specific teaching, including all specialized credentials, administrative or pupil personnel services credentials):

4. List any additional trainings and certifications such as Advanced Placement, National Board Certification, CLAD, B-CLAD, AVID, and IB.

5. Describe any professional or personal experience you have, **outside of teaching**, related to the pathway themes at our school.

¹ Not all questions on this form must be used. Rather, this is a sample menu of questions that could be included in a pathway community of practice interest form. The specific questions included will depend upon the individual site needs and goals.
